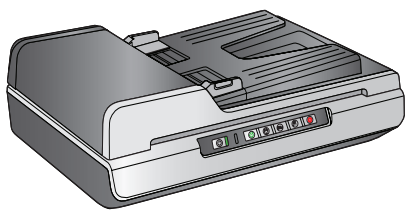
WorkForce™ GT-1500

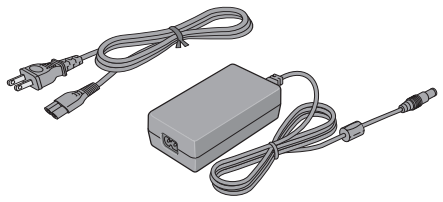
Start Here • Guía de instalación

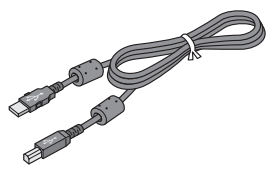
411328500

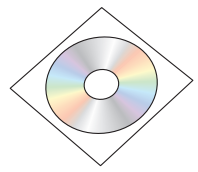
Read these instructions before using your product. • Lea esta guía antes de utilizar el producto.

1 Unpack • Desembale el escáner









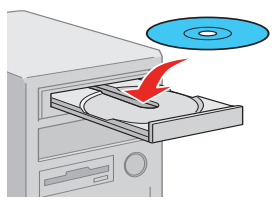
2 Install software • Instale el software

1

Do not connect the USB cable yet.

No conecte el cable USB todavía.

2



3 Select **English**, then click **Install** and follow the on-screen instructions.

Windows Vista®: Click **Run Epsetup.exe** when prompted.

Available software may vary depending on your operating system.

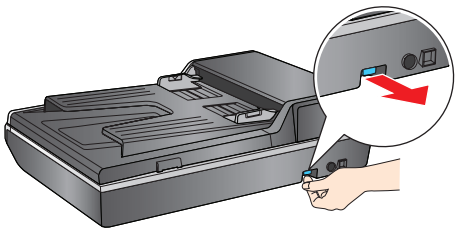
Seleccione **Español**, haga clic en **Instalar** y siga las instrucciones que aparecen en pantalla.

Windows Vista®: haga clic en **Ejecutar Epsetup.exe** cuando se lo indique el sistema.

El software disponible puede variar según su sistema operativo.

3 Connect and turn on • Conecte y encienda el escáner

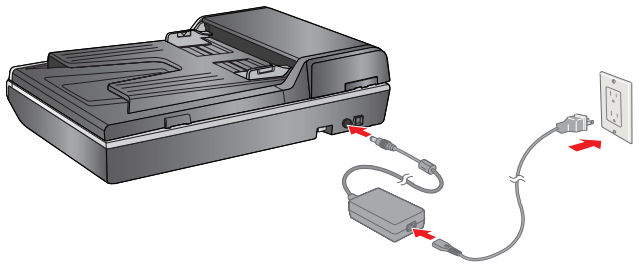
1



Unlock the transportation lock.

Desbloquee el seguro de transporte.

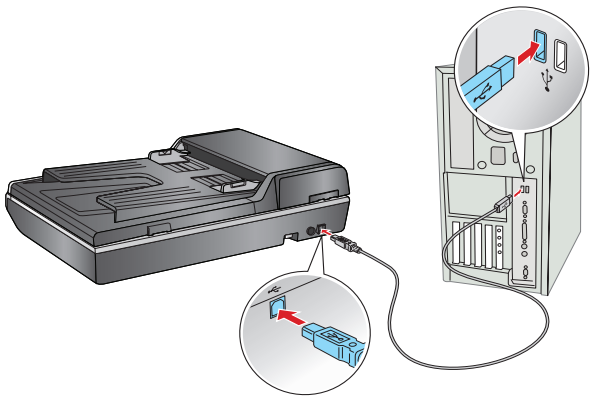
2



Plug the AC adapter into an electrical outlet.

Conecte el adaptador de CA a una toma de corriente.

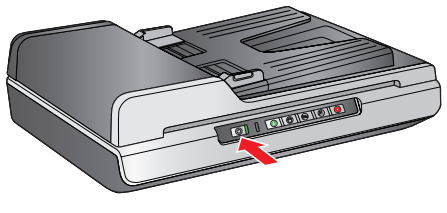
3



Do not connect the USB cable yet.

No conecte el cable USB todavía.

4

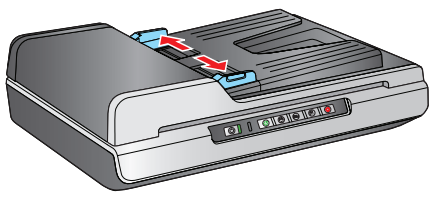


Turn on the scanner.

Encienda el escáner.

4 Scan a document • Escanee un documento

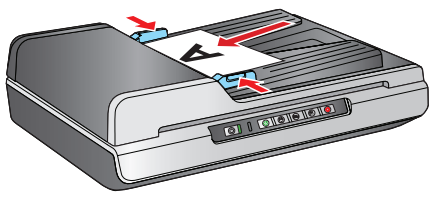
1



Slide the edge guides outward.

Deslice las guías laterales hacia afuera.

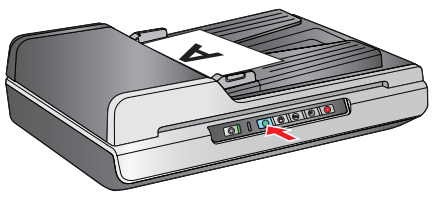
2



Load the first page of your original document face-up and top edge first. Then slide in the edge guides.

Cargue la primera hoja de su documento boca arriba y por el extremo superior. Luego, deslice las guías laterales hacia adentro.

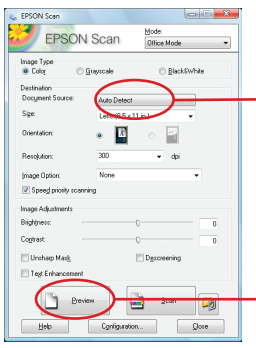
3



Press the Start button.

Pulse el botón Iniciar.

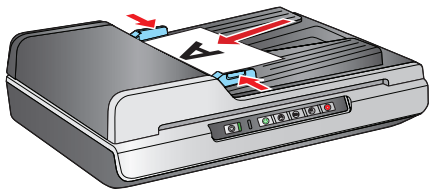
4



Make sure **Auto Detect** is selected, then click **Preview**.

Seleccione **Detección Automática**, luego haga clic en **Previo**.

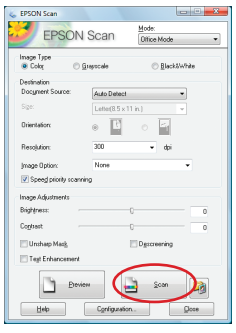
5



Remove the first page after it ejects. Then place it on top of the rest of your document (up to 40 pages) and reload it.

Retire la primera hoja cuando se expulse. Luego, colóquela encima del resto de su documento (hasta 40 páginas) y vuelva a cargar la pila de papel.

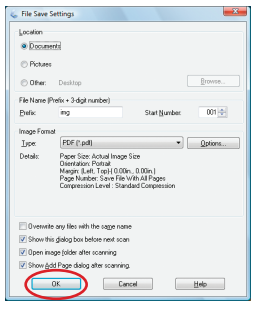
6



Click **Scan**.

Haga clic en **Escanear**.

7



Select your file settings and click **OK**.

Seleccione los ajustes del archivo y haga clic en **Aceptar**.

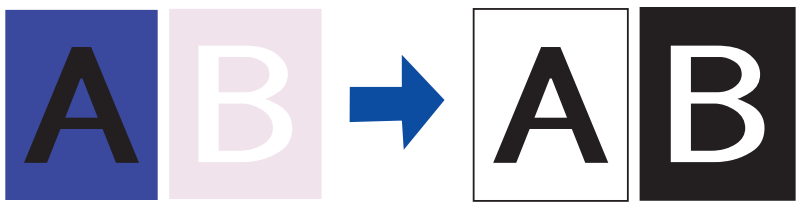
Note: You can also place documents or photos directly on the document table glass and scan them from there. See your on-screen *User's Guide* for instructions.

Nota: también puede colocar documentos o fotos directamente en la superficie de cristal y escanearlos desde ahí. Consulte las instrucciones del *Manual del usuario*.

Do more • Otras opciones

View the on-screen User's Guide *to:*
Consulte el Manual del usuario *en formato electrónico para:*

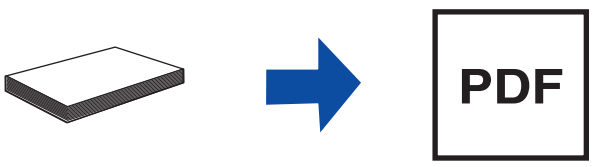
Convert Documents into Editable Text
Convertir documentos en texto editable



You can use the text enhancement feature to increase accuracy.

Puede usar la función de mejora de texto para aumentar la precisión de los caracteres.

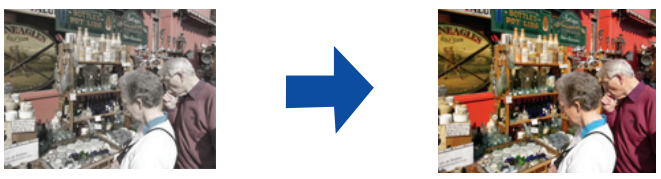
Create Searchable PDFs
Crear archivos PDF con la función de búsqueda



You can scan a multi-page document into a PDF file with search functionality.

Puede escanear un documento de múltiples páginas y convertirlo en un archivo PDF con la función de búsqueda.

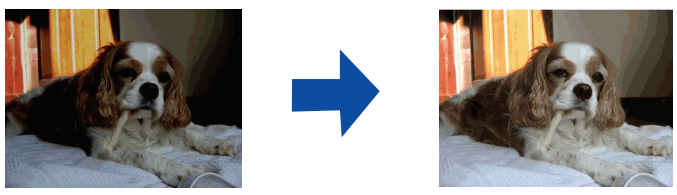
Restore Color
Restaurar los colores



You can bring old, faded, or badly exposed photos back to life.

Puede restaurar fotografías antiguas, descoloridas o mal expuestas.

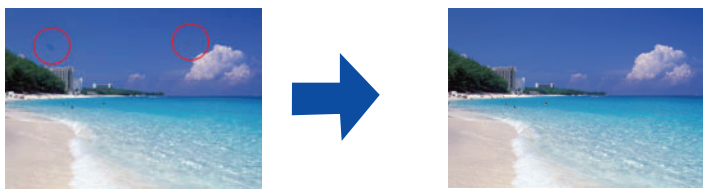
Fix Backlit Photos
Corregir el claroscuro de las fotos



You can fix photos that are too dark because of backlighting.

Puede corregir fotos que son demasiado oscuras debido a iluminación.

Remove Dust Specks
Eliminar marcas de polvo



You can clean specks and spots from your originals as you scan them.

Puede eliminar marcas de polvo y manchas de sus originales cuando las escanea.

Note: For more information about these and other features, see your on-screen *User's Guide*.

Nota: para más información sobre estas y otras funciones, consulte el *Manual del usuario* en formato electrónico.
